

Community Engagement Chart¹

Who will be reached?	
Where are they reached?	
Who is best positioned to reach them?	
What resources are available?	
What messages do you want to communicate with this group?	
What other groups can work with you to help reach your identified group(s)?	
What challenges/obstacles do you foresee?	
Planning to address challenges/overcome obstacles...	

¹ Adapted from the “Community Activity Assessment Charts” in *Engaging Men at the Community Level* (2008 ACQUIRE Project, EngenderHealth and Promundo).
